**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a private residential householder, I rely on a small internet service provider to obtain the internet service I need: a modest speed at a relatively low price, without all the bundled frills that I don't need but would increase the cost. I urge you to preserve the competition in this industry that allows such a freedom of choice at affordable rates. Do not allow large companies to dominate and reduce the affordable choices of consumers like me to obtain what has become a vital informational service. Thank you.
